

# Ashok Bhaargaw

React Developer passionate about building dynamic and responsive web apps. Skilled in React, JavaScript, and API integration, with prior experience in WordPress and UI design. Focused on writing clean code, learning fast, and contributing to impactful projects..

## PROJECTS

- **Personal Portfolio**

Developed a modern and fully responsive portfolio website using React and Tailwind CSS. Showcases projects, skills, and experience with smooth navigation, custom components, and animations. Designed and coded the entire UI from scratch to reflect a developer-first brand identity.
