Objective :

Aspiring Full Stack Developer looking for an entry-level role to apply my skills in building functional web applications and solve real-world coding problems.

Education :

Bachelor of Computer Applications (BCA)

2023 – 2026

University of Rajasthan, Jaipur

Internship Experience :

MERN Stack Intern — Kuchoriya TechSoft

Nov 2025 – Mar 2026

- . Worked on frontend development using HTML, CSS, JavaScript, and React.
- . Gained backend exposure with Node.js, Express.js, and MongoDB.
- . Assisted in developing basic features for web applications.
- . Contributed to tasks on the company website.

Skills :

- . **Frontend:** HTML, CSS, JavaScript, React
- . **Backend:** Node.js, Express.js
- . **Database:** MongoDB

Projects :

Event Booking System

- . Created a web application where users can view listed events and send ticket booking requests.
- . Built an admin dashboard page to check all current event registrations and manage details.
- . **Technologies:** React.js, Node.js, Express.js, MongoDB, Tailwind CSS

E-Commerce Web Application

- . Developed a web store that shows product listings and allows users to add items to a shopping cart.
- . Set up a backend server using Node.js and Express.js to fetch product data from a MongoDB database.
- . **Technologies:** React.js, Node.js, Express.js, MongoDB, CSS

Personal Portfolio Website

- . Designed a responsive single-page website to introduce myself, display my skills, and showcase projects.
- . Built reusable UI components using basic React features and styled them with clean CSS layouts.
- . **Technologies:** React.js, Tailwind CSS

Certifications :

- . Introduction to MERN Stack — Simplilearn (January 2026)
- . Introduction to JavaScript — Simplilearn (2026)

Achievements :

- . Built multiple hands-on mini projects using React, Node.js, Express, and MongoDB.
- . Earned 2 Simplilearn certifications in MERN Stack and backend development.
